

Center for Soft Matter and Biological Science

Student Conference Participation Application

Director: Associate Professor Shengfeng Cheng

This grant is for graduate students affiliated with the Center's faculty members, who need aid in funding for traveling to a conference and they do not have any current external grant funding. It awards up to \$400.00 per semester.

If you are interested, please see requirements below.

- Submit a brief description with title, abstract and conference description that has Center related research
- Fill out and sign the attached application.
- Application requires adviser's signature.

Please send all submissions to the Center Director Associate Professor Shengfeng Cheng (chengsf@vt.edu) and Mrs. Katrina Lockhart-Elfeky (katrl11@vt.edu).
