

Virginia Soft Matter Workshop VI

Sept. 22, 2018

Virginia Tech

Hahn North 130, 9:00am – 5:00pm

Registration/breakfast open at 8:15am

Virginia Soft Matter Workshop brings together researchers working on the science of soft matter, such as polymers, complex fluids, and biomaterials, for an informal meeting to exchange ideas and foster collaborations. There will be a mix of invited talks, brief contributed sound bites, and unstructured time.

Invited Speakers

Gary S. Grest

Sandia National Laboratories

Rana Ashkar

Virginia Tech

Marija Vucelja

University of Virginia

Hong Zhao

Virginia Commonwealth University

Kendra Letchworth-Weaver

James Madison University
